Cuts bite deeper

Bus Users has been lobbying councils proposing to cut funding for subsidised bus services. According to Chief Executive Claire Walters: "It is unthinkable that in 2016, people are being left isolated from friends and family, cut off from vital services and without access to work, education, even healthcare." Update on the Buses Bill

Getting your MP on board

In response to the latest report from the Transport Committee, Bus Users has expressed concern over progress of the Buses Bill. The report was critical of the Government's lack of detail, stating that: "scrutiny of the Bill has been hampered by the Government's failure to publish key secondary legislation and guidance".
